

TRAUMAS AND REGENERATIONS: BEYOND RESILIENCE

Keynote Speakers: Mario Perini, Franca Fubini, Richard Morgan Jones

3rd, 4th and 6th of February 2023
5:00pm - 8:00pm CET (online event)

ISPSO European Regional Meeting 2023
in partnership with Il Nodo Group Impresa Sociale

We are living in a traumatic time on a global level: climate change, the continuing pandemic and its after-effects, and wars and nuclear threats all have a deep impact on both conscious and unconscious levels. Alongside attempts at resilience, trauma also continues to manifest and assert itself in many new ways. Which forms of dialogue and sharing of ideas create sustainable regeneration *beyond* resilience? We invite you to attend this experiential regional event to explore these questions, attempting to make sense of traumatic events, find new meanings, and *regenerate* thoughts and actions.
